

At the Rio Grande Animal Hospital, our team of professionals will always strive to provide the best medical care possible to every patient.

In every aspect of our hospital, we work to create an atmosphere of trust for our clients, our staff, and our patients.

**Hours of Operation:**

Monday through Friday: 8 am to 5:30 pm  
 Saturday: 8 am to 12 pm  
 Closed on Sundays

Please call to schedule an appointment for your pet to ensure we have time set aside just for you. If you have an urgent need or an emergency during our regular business hours, our doctors will accommodate most schedules.

We provide drop-off services for established patients only, but you can always be seen as a "walk-in" whether you are a long-term client or new to us! These appointments are seen in between our regular appointments and will involve additional wait times and fees. But we do our best to make sure all the medical needs of our patients are taken care of.

# RIO GRANDE ANIMAL HOSPITAL

is a full-service small animal hospital providing up-to-date medical care including:

- Progressive dental care
- Surgical services
- In-house laboratory testing as well as a full complement of testing that can be sent out to our laboratory partners
- Digital radiography
- On-site acupuncture from a certified veterinarian

...and much more!

We believe that the best medicine for your pet is preventive care so we offer a full range of wellness services such as:

- Complete annual (for younger animals) and bi-annual exams (for our senior friends)
- A vaccine schedule tailored to each patient's needs and each client's concerns
- Nutritional counseling for dogs and cats
- Wellness blood testing and radiology
- Pediatric to geriatric health services

...and many others

The Rio Grande Animal Hospital is located in the heart of the North Valley near Old Town close to Rio Grande Blvd.

The staff at RGAH is dedicated to helping you provide the best quality of life for your pets.

Our friendly, independent hospital has been locally owned since its inception in the early 1940s. Now Dr. Levenson continues that tradition in an updated facility with a staff who will care for your pet as their own.

Visit our website to learn more about our hospital. If you are new to us, visit our New Patient Center on the website and download a New Patient Registration Form. Come in to see us and ask for a tour. See for yourself what the rest of the neighborhood is talking about!

A native New Mexican, **Dr. Holly Edwards** was born and raised in Los Alamos, NM. She has a B.S. in wildlife biology from Colorado State University and her veterinary degree from the University of Pennsylvania.

Homesick for the west and green chili, Dr. Edwards returned to New Mexico where she completed an internship in small animal medicine and surgery at VCA Veterinary Care Animal Hospital. She joined the Rio Grande Animal Hospital family in August 2009. Dr. Edwards is a member of the American Veterinary Medical Association and the primary veterinarian for Weimaraner Rescue in New Mexico.

She has a big interest in internal medicine, senior dog and cat care, and wildlife medicine. She digs rabbits, too!

**Dr. Lindsey Gardner** is a native to Albuquerque. She completed her B.S. in biology at the University of New Mexico. She earned her doctor of veterinary medicine degree and veterinary acupuncture certification from Colorado State University.

After returning to Albuquerque, she completed an additional year of specialized training in a small animal medicine and surgery internship at VCA Veterinary Care Animal Hospital. Dr. Gardner joined the Rio Grande Animal Hospital family in August 2011.

Her interests include preventive and wellness medicine, internal medicine, working with rescue groups (especially greyhounds) and acupuncture.
